This fax transmission is in response to a discussion I had with Examiner Gerald G. Leffers, Jr. , today, wherein he requested that I send him a copy of the attached Amendment and Response . The Amendment and Response was filed with the USPTO on October 30, 2003 in response to a Restriction Requirement which was mailed on October 1, 2003. Examiner Leffers, however, was unaware of the fact that we had responded to the Restriction Requirement and asked that I send a copy to this location. As proof of the fact that the Amendment and Response was filed on October 30, 2003, also enclosed is a copy of a returned postcard bearing an OIPE stamp.
